Sir,

Subject:- Extension of the term of the Town Municipal Council, Hunsur

---

I have the honour to forward herewith a copy of letter No H C.52 of 43-44 dated 29th April 1944 from the Amildar President, Town Municipal Council, Hunsur on the above subject received with Mysore Sub Division Officer's memo No R1 C 774 of 43-44 dated 29-4-1944 and to state as follows -

The Hunsur Town Municipal Council was last reconstituted as per Government Notification No L 9137/M1 108-90-60 dated 20-6-1941 for a term of three years commencing from 1-7-1941 and as such the term of the present Council expires on 30-6-1944 Under Rule 3 Sub-Rule (1) of the Town Municipal Election Rules a new list of voters has to be prepared not less than three months prior to the date on which the term of the office of the Municipal Councillors expires. The Amildar President reports that though such a list was prepared on the old lines within the time limit prescribed the same could not be published as required by Rule 4 Sub - Rule (1) of the Election Rules in view of the fact that the Municipal Council at their meeting held on 31-3-1944 passed a resolution to introduce the system of voting by wards or Blocks dividing the town into divisions for electoral purposes and such the voters list had to be revised on the new lines proposed by the Council. He has further stated that the formulation of the proposals for the formation of division involved some time and that he therefore could not push through the revision of the list of voters for the reconstitution of the Council from 1-7-1944

In the circumstances, the Amildar requests that the term of the present Council may be extended and the Sub Division Officer also support the recommendation of the Amildar

I, therefore request you to be so good as to obtain sanction of Government to extend the term of the Council till the end of September 1944 as recommended by the Sub Division Officer

I have the honour to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,

Letter No. H.C.52/43-44 dated 29th April 1944 from the Amildar & President, Hunsur Town Municipal Council, Hunsur, to the Sub Division Officer, Mysore Sub Division, Mysore

In continuation of my report No.H C 52/43-44 dated 2nd April 1944 sent to the Deputy Commissioner, Mysore submitting the resolution of the Hunsur Town Municipal Council to the effect that the Town may be divided into divisions for the Flectoral purposes, I further beg to submit as follows -

The Town Municipal Council Hunsur was reconstituted in Government Notification No L 9137 M1 108-90 -60 dated 20th June 19 41 for a period of three years commencing from 1-7-41 and as such the term of the prsent constitution of the Council expires on 1-7-1944 With a view to reconstituting the Municipal Council from 1-7-44, a Voters list was newly prepared in time for publication three months prior to the date on which the term of Office of the Municip l Council would expire as required by rule 3 of Election Rules But the same was not published under rule 4 as the list did not show any division of the town into wards for the Electoral purposes and since the Municipal Council decided in their meeting held on 31-3-44 that the system of wards may be adopted for the Electoral purposes, as the same has not been adopted so far in this Municipality It was also ascertain-d that the question of dividing the Town into divisions for the purpose of Election was previously deffered from consideration at the time of the next General Flections The records bearing on this question are not however readily forthcoming in the Municipal Office In the circumstances and in view of the fact that the formulation of roposals for the formation of divisions involved some time and consideration and that sanction of the Deputy Commissioner in this behalf was also needed under rule 2 of the Election rules, further proceedings regarding the publication of the Voters list prepared on the old lines without wards or divisions a d the remision of the list etc for reconstituting the Council from 1-7-44 could not be pushed through 4

As regards the division of the Town into wards, I beg to submit that the number of Councillors to be elected in the Municipality is 15 and the number of voters in the Municipality is 790 This means that for every 53 rate payers there should be one elected representative The Municipal Council has previously decided that the Town may be divided into 7 wards for the Electoral purposes (Wide copies of their resolutions in the matter enclosed)
The enclosed statement embodies detailed proposals regarding the division of the Town into 7 wards for the Electoral purposes based on the recommendation of the Municipal Council, with the boundaries of each division clearly defined and with the number of voters and number of Councillors to be elected in each divisions It will be seen therefrom that the division No I,II,III,IV VI and VII contain 133, 110 125 110,101 and 115 Voters respectively and the number of Councillors proposed to be elected in each divisions also generally works out at the rate of one representative for every 53 voters In the division No 5 there are however only 54 voters for whom two representatives have been proposed as recommended by the Municipal Council on the ground that the locality is a Brahmin Locality and that the Brahmin form a minority community in the town If the strength of the Councillors fixed for this Block is considered superfluous it may be reduced to one and the strength in the Block No I where there are 133 Voters may be raised to three.

I request that early sanction to the Divisions proposed may kindly be accorded before the end of May 44 so that I may take further action to prepare the Electoral roll showing the persons entitled to vote in each division separately as required by rule 3 of Election rules and published the same on 1st June 1944 so that the unicipal Council may be reconstituted with effect from 1st September 1944 I also request that under the circumstances explained above that the terms of the present constitution of the Municipal Council may also be extended up to the end of August 1944 I solicit favour of very early orders in the matter
